

WATER SAFETY CAMP

JULY 29

1-4PM

LAKE WACCAMAW

1866 State Park Dr, Lake Waccamaw, NC

Learn skills that last a lifetime! Safety around water is so important. The camp will teach kids water safety skills to prevent drowning.

Instructor: Dr. Peter Chambers

Dr. Chambers has spent his life surrounded by the water. He grew up as a competitive swimmer, and played water polo. He loves surfing and has always tried to live near the ocean.

Dr. Chambers brings a wealth of knowledge from his background as an emergency department physician as well as:

- Veteran USAF Flight Surgeon
- Team Physician USA Swimming
- Member of US Lifeguard Standards Coalition
- Former member American Red Cross Scientific Advisory Committee
- Waterman who promotes water safety and rescue

AGES: AGES 9-15
